Your Type in Depth

Ones are defined by their belief that everything must be in order, and by their feeling that they must always be "right." They show great commitment and determination to improve conditions that they find need improvement, and they are forward in encouraging others to improve their performance, too.

At their core, Ones are the "model children" of the Enneagram world—dutiful, responsible and perfection-seeking. At the same time, they are idealists, in the sense

★★★★★

January 16, 2022 - 1:17pm

BY KURT BRANDT

Insightful and helpful in understanding myself and how I relate to others.

★★★★★

January 16, 2022 - 9:50am

BY P. IULIANO

I found this report to be very helpful and thorough. I appreciated the helpful suggestions on how to deal with the challenges of my types especially after outlining so well the main structure of my main types. The analysis was right on and helped me understand the challenges I have with wonderful and attainable solutions.

I highly recommend obtaining a report, as this one is of high quality and very useful in one's quest to better understand themselves.

BY NANCY

I enjoyed learning more about myself from this personality test. Most things I knew but the suggestions for growth were most hopeful to me.

★★★★★

January 16, 2022 - 8:02am

BY SARA

Insightful, accurate, and helpful. It's what I already knew about myself. But, with helpful advice and direction for improvement.

January 15, 2022 - 9:35pm

BY KEVIN

I had no idea what to expect with this quiz however, the report was majorly insightful. I believe that it definitely aided in putting some perspective to the noise or misinterpretation I was feeling.

★★★★★

January 15, 2022 - 9:19pm

BY ROSIE

No surprises with personality type results but validating to have your fears confirmed! The most helpful aspect of this test is the section which points to areas to focus on improvement. Surprisingly accurate insights.

★★★★★

January 15, 2022 - 8:24pm

BY KAREL

Great insights in the full report, including characterizations of your type when psychologically unhealthy, average, and healthy, and Top 3 Personality Superpowers and Blindspots. I love having targets for areas of growth and improvement.
